**Sheer
Driving Pleasure**

**The most exciting performer of all
is coming to a road near you.**

The marathon sprinter.

A sporting arrangement: Each axle carries an equal share of the load.

**Aggressive power coupled
with defensive strength.**

**Enjoy the view.
You won't see it much when you drive.**

This co-driver can do everything. Even be silent.

Equipment

□ **Xenon headlights for low and high beam, including four parking light rings** and automatic headlight range control, provide much better illumination of the road ahead at night or in poor visibility.

□ **Adaptive Headlights** for improved visibility in bends: headlights are directed into the bend when cornering (only available in conjunction with xenon headlights).

□ **BMW light-alloy wheels** double-spoke styling 161 with mixed tyres, 8 J x 17" wheels and 225/45 R 17 tyres at the front, 8.5 J x 17" wheels and 255/40 R 17 tyres at the rear, with anti-theft security system.

□ **BMW light-alloy wheels** star-spoke styling 159, 8 J x 17", 225/45 R 17 tyres, with anti-theft security system.

□ **Leather sports steering wheel** (369 mm diameter), three spokes, incl. gearshift lever handle with chrome trim and handbrake lever handle finished in leather, multifunction buttons for remote control of radio/telephone (both optional); also available without multifunction buttons.

□ **Active Cruise Control** enables comfortable driving at a pre-selected speed. When driving in columns of traffic, your BMW automatically adapts to the speed of the preceding vehicle and uses its radar sensor to maintain a preset distance. In addition, the braking function ensures that the desired speed is maintained even when driving downhill. (Only available for 325i, 330i and 330d.)

□ **Navigation system Business¹**, incl. 2-tuner reception, DVD drive, MP3 decoder and iDrive Controller. Directions are given via arrows displayed on a 6.5" monitor. Additional function: independent ventilation.

□ **Navigation system Professional¹**, same features as Business; plus CD drive and 8.8" monitor with map and arrow display.

□ **Automatic air conditioning**, incl. AAR, micro filter, fogging and solar sensors and residual heat button, rapidly provides the desired climatic conditions in the vehicle interior and maintains the selected temperature. With individual temperature control at the front (left/right) and climatized storage compartment in the centre console, incl. rear air vent and air conditioning.

□ **HiFi System Professional LOGIC7** provides truly outstanding sound. 13 loudspeakers and the adjustable surround function create a luxurious soundscape all around you. The central bass concept using subwoofers makes for an authentic bass sound.

□ **HiFi loudspeaker system** with ten loudspeakers for brilliant sound.

□ **Radio BMW Professional**, same features as BMW Business CD, with additional MP3 decoder.

□ **MD drive:** Minidisc player for Radio BMW Professional (shown here) with automatic MD insert/eject.

□ Optional equipment

¹Navigation system not available in all countries. Please consult your BMW partner.

Equipment

□ **CD changer**, with MP3 decoder, located on the left-hand side of the luggage compartment, holds up to six CDs.

□ **Preparation for mobile phone with Bluetooth interface**, including hands-free facility, connection for charger and outside aerial. A separately available snap-in adapter enables connection of a Bluetooth-compatible mobile phone, which can also be operated via the iDrive Controller (in conjunction with navigation system). For mobile phone options contact your BMW partner.

□ **Two cupholders at the front** (in conjunction with storage compartment package), integrated into the dashboard.

□ **Seat heating** for driver and front passenger (three settings): Seat surface, sides and backrest are heated and quickly radiate comfortable warmth.

□ **Sports seats** for driver and front passenger (shown here in optionally available Dakota leather Beige). Optimum lateral support is ensured by continuously variable electric backrest width adjustment. Seat height, backrest and seat angle as well as thigh support are manually adjustable.

□ **Glass sliding/vent roof**, electric, with wind deflector and comfort opening function via the car's remote control unit, includes reading lights at the front and illuminated vanity mirrors.

□ **Luggage compartment package** including luggage compartment floor net, 12 V socket, segmentable underfloor storage bin, bag and umbrella holder, waterproof folding box and a pull-out drawer under the rear shelf. If the drawer is not required, it is quick and easy to remove.

□ **Ski bag** (in conjunction with through-loading system) for clean and safe transportation of up to four pairs of skis with up to four people on board. If the ski bag is not required, it can be tucked away out of sight.

All dimensions in millimetres. Luggage compartment capacity (as per VDA standard): 460 litres (16.2 cu ft).

- The figure quoted includes a 90 per cent tank filling, 68 kg for the driver and 7 kg for luggage. Unladen weight applies to vehicles with standard equipment. Optional equipment may increase this figure.
- The overall weight of the trailer may not exceed the maximum permissible trailer load plus the maximum permissible towbar download.
- The petrol engines are designed for RON 98 fuel. They may be run on RON 95 or RON 91 fuel with a decrease in engine power and an increase in fuel consumption.
- All engines meet the EU4 emissions standard. Fuel

consumption is determined in accordance with the ECE driving cycle made up of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption.
⁵ Electronically limited.
 Values in [] apply to vehicles with six-speed automatic transmission.
 All optional equipment in this catalogue is available fully installed ex works. For any additional wishes you may have, please see our comprehensive Accessories Catalogue, available from your BMW partner, who will be happy to advise you.

The models illustrated in this brochure show the specifications for the German market. In part, they include optional equipment and accessories not fitted as standard. According to the specific requirements of other markets, alterations in models, standard and optional equipment, as described in this brochure, may occur. For precise information please contact your BMW partner. Subject to change in design and equipment.
